

Wallasey Amateur Photographic Society

Information

Prospective Members

We are a friendly club with a programme of talks, outings, slide, print & digital shows, practical activities, competitions with feedback on your work, audio visual - check out our 'Whats On Page'.

Our membership is a cross section of the photographic community from new starters in the hobby to those who have been practicing for many years. We are a mixed bunch from mature teenagers to young pensioners and our members use both Film and Digital technologies or a combination of both.

Whether you are just starting off or are experienced and want to progress in the hobby, come along we will make you welcome. You don't need a fancy camera and you don't have to join straight away, be our guest for a couple of meetings and see how you get along.

We have a car park at the front & rear plus easy access for the less able.

If you decide to join membership is only £30 per year.

Meetings

We meet on Tuesday nights from 7:30pm - Sept to April and less frequently in the summer.

The Old Manor Club,
Withens Lane,
Wallasey,

CH45 7NF

If you get lost ask for directions to Manor Road Police Station – with the Police Station on your left go about 200 mtrs and take the next left and we are approx 500mtrs on the left hand side.
